Choose the service option that suits you best;

### FULL RENTAL SERVICE

A weekly charge per person which includes laundry service, collection and delivery to your premises each week, garment rental, barcode tracking and access to your wearer account online.

### RENT ONLY SERVICE

A weekly low rental charge per garment that does not include a fully managed laundry service.

### PURCHASE ONLY SERVICE

For those who prefer to buy outright instead of our rental options. Our team of customer service experts will advise on the most suitable garments for you. Our managed service includes sample garments and logo badging as required\*
